UDU-20115

Duomo double medium shade post top

A post top luminaire with a small and medium size shade decorative lantern and symmetrical light distribution. It uses energy saving LED, compact fluorescent lamps as well as metal halide and high pressure sodium lamps. Developed to compliment the Duomo wall light, Duomo bollard and Duomo pillar light. Designed for lighting car parks, footpaths, pedestrian areas, precincts, parks, gardens and building perimeters. Low copper content die cast housing with high corrosion resistance. Stainless steel screws. Durable silicone rubber gasket and opal glass diffuser. Housing is treated with a chemical chromatized protection before powder coating, ensuring high corrosion resistance. Integral electronic control gear.
