

# Syndy symmetrical indirect light wall light

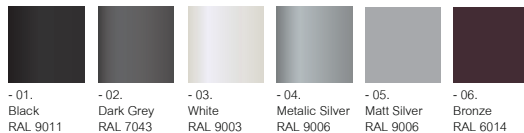

IP65 ⚡⚡/EN 60598/CLASS I ⚡/V/CE/IK09

## Suitable for wet locations

A decorative wall lantern with excellent downward symmetrical light distribution and visual appeal. The precision optical system gives very low glare rating, while reducing light pollution. Developed to compliment Syndy indirect post top and street lanterns. Designed for lighting of entrances, footpaths and car parks. The LED luminaires have features such as long life, limited maintenance and constant lifetime performance.

Low copper content die-cast aluminum housing with high corrosion resistance. Stainless steel screws. Durable silicone rubber gasket and clear toughened glass. Housing is treated with a chemical chromated protection before powder coating, ensuring high corrosion resistance. Integral control gear. White painted aluminum reflector on the top of luminaire.
