IP55 : Suitable for Wet Locations
IK07 : Impact Resistant (Vandal Resistant)

UAN-20601

Anesti post top opal diffuser

A decorative post top lantern with excellent downward symmetrical light distribution. Developed to compliment the Anesti wall light and street lanterns using energy saving compact fluorescent lamps as well as metal halide and high pressure sodium lamps. Designed for lighting of entrances, footpaths, car parks and town centers. Low copper content die-cast aluminum housing with high corrosion resistance. Stainless steel screws. Durable silicone rubber gasket and clear or opal high impact resistant UV stabilized acrylic diffuser. Housing is treated with a chemical chromatized protection before powder coating, ensuring high corrosion resistance. Integral control gear. Anodized high purity aluminum reflector with the clear diffuser option.

Physical Data

Length: 28.58″
Height: 19.17″
Weight: 55.5 lbs

Lamp

☐ CFQ 26w/CFTR 32/42w
