Jet 30 pendant square

A range of square shaped pendant exterior down-light luminaires utilizing various halogen lamps and beam distributions for downward lighting requirements. The luminaires are designed for all areas of interior and exterior lighting.

Low copper content die-cast aluminum housing and aluminum bottom frame with integral anti-glare baffles. Stainless steel screws and suspension kit. Durable silicone rubber gasket and clear toughened glass. Single cable entry. Housing is treated with a chemical chromatized protection before powder coating, ensuring high corrosion resistance.

Physical Data
