IP54 : Suitable for Wet Locations
IK07 : Impact Resistant (Vandal Resistant)

UMS-92116-SC60

Mustang 31 medium single streetlight type IV

Small and medium size rectangular shape area light for metal halide lamps high pressure sodium 70-400w. A high quality reflector design creates a broad light distribution. Designed for lighting footpaths, private roadways, car parks, exhibition areas, service stations, truck stops and sports grounds.
Aluminum frame and body. Stainless steel screws. Durable silicone rubber gasket and impact resistant toughened glass diffuser with hinged aluminum frame for in-position lamp replacement. The luminaire is treated with a chemical chromatized protection before powder coating, ensuring high corrosion resistance. Integral control gear. Anodized high purity aluminum reflector.
