

IP54 : Suitable for Wet Locations

IK07 : Impact Resistant (Vandal Resistant)

## UMN-91184-SC76

### Martini 14 small single area light type IV

Small and medium size modern shape area light distribution for metal halide lamps or sodium vapour discharge lamps 70-400w and LED. A high quality reflector design creates broad spread light distribution. Main application for lighting of public, private roadways, car parks, exhibition areas, service stations, truck stop and sports grounds. Aluminium housing with high corrosion resistance. Integral control gear. Stainless steel screws. Durable silicone rubber gasket and clear toughened glass with hinge aluminium frame for in-position lamp replacement. Anodized high purity aluminium reflector. Main housing is powder paint with high corrosion resistance with chemical chromated protection.
