Matrix 4 square wall down light

Wall mounted compact cubic luminaires with up and downward light distributions using one lamp mounted in the horizontal position. The Matrix is designed with three options of light distributions. Using high efficiency and long life lamps. Designed to illuminate the wall and surface in front of wall and for light accents on vertical or horizontal surfaces.

Low copper content corrosion resistant die-cast aluminum frame and body. Stainless steel screws. Durable silicone rubber gasket and impact resistant toughened glass diffuser. The luminaire is treated with a chemical chromated protection before powder coating, ensuring high corrosion resistance. Integral control gear. Anodized high purity aluminum reflector.
