

IP65 : Suitable for Wet Locations

IK07 : Impact Resistant (Vandal Resistant)

UAA-30636

Large Atlantic sheppards crook wall light

A wall mounted outdoor street and amenity lantern with a high performance optical system ensures improved visibility and reduced glare. Designed for pedestrian and residential areas, residential streets, large spaces such as car parks and city center spaces.

Die-cast aluminum housing with high corrosion resistance. Extruded aluminum arm bracket. Stainless steel screws. Durable silicone rubber gasket and clear impact resistant UV stabilized polycarbonate bowl for extra impact resistance. Anodized high purity aluminum cut-off reflector. Housing is treated with a chemical chromated protection before powder coating, ensuring high corrosion resistance. Integral control gear.
