

## Eco recessed location light

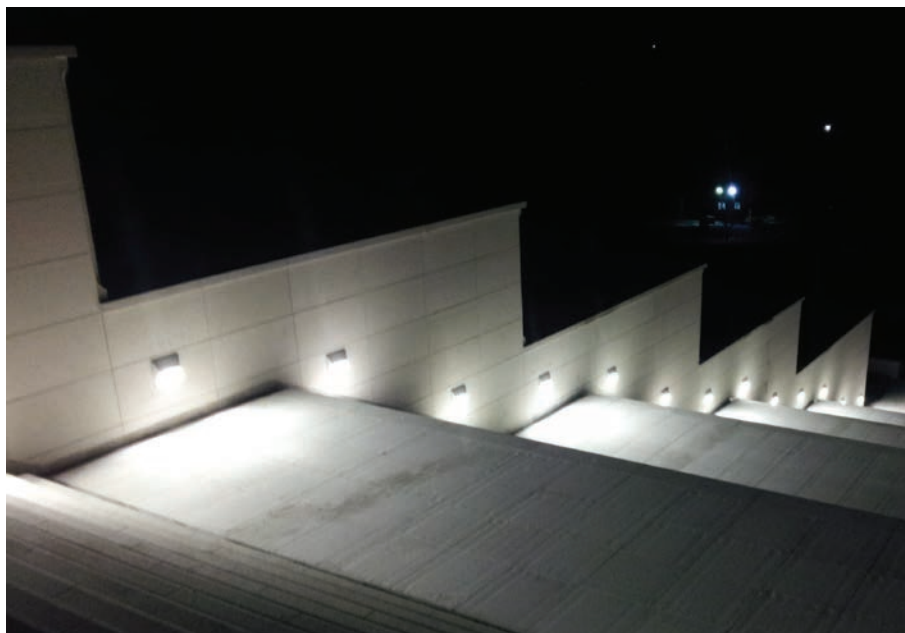

IP65 ✱ ⚠ ⚠ /EN 60598/CLASS I ⚡ /V/CE/IK07

### Suitable for wet locations

A range of rectangular wall recessed luminaires, with a glare free side throw reflector system. Suitable for pathways and ramps. The spread lens provides a wide beam spread evenly illuminating up to 26ft of a pathway. The luminaires have features such as long life, limited maintenance and constant lifetime performance.

Low copper content die-cast aluminum housing with a high corrosion resistance. Stainless steel screws. Durable silicone rubber gasket and toughened linear spread lens. Double cable entry. Housing is treated with a chemical chromatized protection before powder coating, ensuring high corrosion resistance. Integral control gear. Anodized high purity aluminum side throw reflector.
