Tauras light column

A decorative light column with symmetrical light distribution using energy saving compact fluorescent, metal halide and high pressure sodium lamps. Designed to compliment the Tauras wall light, Tauras bollard and Tauras pillar light. A sleek and minimalist shape provides distinctive lighting effects by night and decorative urban effect during the day. Suitable for pedestrian areas, precincts, building surrounds, shopping centers, squares and parks.

Extruded aluminum column and low copper content die cast housing with high corrosion resistance. Stainless steel screws. Durable silicone rubber gasket and clear impact resistant UV stabilized polycarbonate diffuser with anodized high purity aluminum reflector. Housing is treated with a chemical chromated protection before powder coating, ensuring high corrosion resistance. Available with a selection of integral electronic and fluorescent dimming electronic ballast, ensures extended lamp life energy saving capabilities and integration with building management systems. Easy access for lamp replacement by using screws to remove the cylindrical lantern portion. Emergency ballast options are available for compact fluorescent egress lighting solutions.
