Tango 14 single post top

Tango post top luminaire was developed to compliment the Tango and Jet range of wall mount luminaires as well as the Jet square bollards, using energy saving compact fluorescent, metal halide and high pressure sodium lamps. This rectangular profiled luminaire mounted on a square extruded aluminum pole is available with different reflectors, downward light beam distributions and lamp options. Designed for residential and shopping areas, squares and parks. Available with a selection of integral electronic ballasts.

Low copper content die-cast aluminum housing and aluminum bottom frame with integral anti-glare baffles. Stainless steel screws. Durable silicone rubber gasket and clear toughened glass lens. Single cable entry. Housing is treated with a chemical chromatized protection before powder coating, ensuring high corrosion resistance. Integral control gear. Anodized high purity aluminum reflector.
