

IP55 : Suitable for Wet Locations

IK07 : Impact Resistant (Vandal Resistant)

UDU-20240

Duomo Sheppards Crook Double Medium Shade Post Top

A post top luminaire with a medium size shade decorative lantern and symmetrical light distribution with sheppard's crook arm. It uses energy saving LED, compact fluorescent lamps as well as metal halide and high pressure sodium lamps. Developed to compliment the Duomo sheppard's crook wall light and Duomo bollard . Designed for lighting car parks, footpaths, pedestrian areas, precincts, parks, gardens and building perimeters.

Low copper content die cast housing with high corrosion resistance. Stainless steel screws. Durable silicone rubber gasket and opal glass diffuser. Housing is treated with a chemical chromitized protection before powder coating, ensuring high corrosion resistance. Integral electronic control gear.
